

The new chapel, Our Lady of Fatima in Haiti, is close to completion. The priest in charge says:

I urgently need money to pay the workers and for materials for recent work \$3000 .

The floor and installing the doors and windows remain to do before the community begins to celebrate in the chapel.

If it is possible to find a donor to finance the altar, we will engrave their name on it.

Hope to hear for you very soon,

Father Yvan
